OUR FOUNDER & PRESIDENT: BETH RUBIN

“ While she can plan romantic getaways to Florence or family vacations to Rome, Rubin encourages travelers look beyond popular destinations. In Calabria, she has helped clients track their ancestors. From Milan, she’s set up excursions to such cities as Mantua and Cremona. Even on classic trips, Rubin tempts clients with unusual day trips or excursions like visiting a saffron producer in Umbria as an addition to a winery-filled vacation in Tuscany and Piedmont.

— Travel+Leisure

Beth Rubin started her career in the travel industry in 2000, designing unique Italian itineraries loaded with first-hand tips after her return to the US from a study abroad experience in Cortona, Tuscany. After 17 years of success in the travel industry and two Travel + Leisure® A-List of Top Travel Advisor awards, Rubin’s passion led to the opening of Olive Tree Escapes, her own Chicago-based bespoke luxury travel company.

SUGGESTED ITINERARY

TRASTEVERE

Literally meaning "across the Tiber," this was Rome's first suburb, and many residents insist it's the "real" Rome. The district is a thriving boogie of charming medieval streets, vibrant outdoor restaurants and trattorias, intimate bars and cafes. Trastevere is home to an array of galleries and artisan shops, plus the large Sunday flea market, Porta Portese. The Church of Santa Maria dominates the piazza of the same name. The steps of the central fountain there are a good place to watch the area's colorful characters. To the west rises the Gianicolo Hill, which offers magnificent views from a rickety dip car.

MONTE

Ancient Rome's shanty town (sbarbare) is now gentrified under the design of artists, big-boxes and up-and-comers. Its once-cheap property is now among the most expensive in Rome. Ethnic restaurants, galleries, bars and book shops flank its narrow alleys. The main square is often filled to capacity on weekends, when locals go out to visit and sip coffee or wine at the cafes around the perimeter. The area stretches east from the Forum between Via Nazionale and Via Cassara.

PARCO DEI MOSTRI

Bommarzo village, 7 mi-12 km northeast of Dagnana, contains the silly and sublime Monster Park (Parco dei Mostri)—also called the Sacred Grove, Sacro Bosco. This surreal sculpture garden—sort of a 19th-century theme park—is one of northern Lazio's primary attractions. Daily 8:30 am to one hour before sunset 10 euros. Località Giardino, Bommarzo, Dagnana. DESTINATIONS

MOST COMMON QUESTIONS

Can we book only tours and transfers with you, if we have already booked the hotels on our own?

Yes, that is totally fine. But we do require packages, no a la carte services.

Minimum of transfer and services you book in a package?

Minimum of 3 services bundled in one package.

Villa rentals?

We do villa rentals across the country (even off the beaten path) and apartment rentals in the cities. Remember: villa rentals are weekly, Saturday to Saturday, and apartment rentals usually have a minimum of 3 nights.

Do you have contracted air with most major airlines?

No, we don't. We book it with a consolidator but we are more than happy to leave it up to you or your client directly.

Can Croatia be a day trip from Venice?

Yes, it can. 3 hrs from Venice to Rovinj. Not the easiest, but doable.

How easy is it to combine Croatia and Slovenia?

Pretty easy. Ljubljana is 1.5 hours away from Zagreb. Slovenia has a lot to offer, you can do Ljubljana and Lake Bled in a day trip.

Now that the client is ready to confirm, how does payment work?

Deposit in the amount of 30% is due at the time of booking. Final balance will be due 60 days prior to departure day. In the event of cancellation, deposit and final payments are non-refundable and non-transferable. Olive Tree Escapes strongly recommends purchasing travel insurance. Additional information about it can be provided upon request.

Will you provide a list of suggested restaurants? Can you make reservations?

Yes, we will send a list of recommended restaurants for each city where the client will stay. We can certainly make reservations.

The package looks great, but my clients want to know what the hotels cost. Can you provide the individual costs?

No, we cannot provide itemized costs as we have contract rates that are contingent on the prices remaining confidential and in a package. If your clients are trying to meet a specific budget, we can always suggest ways to cut back on the overall package cost.

Is the package refundable?

No, the deposit and any subsequent payments are non-refundable. We highly recommend travel insurance - you can [find more details here](#).
